The Kearney County Chapter of Pheasants Forever (PF) will host its Annual Banquet on Wednesday, September 19 at The Minden Opera House. Doors open at 5:30 p.m. for social hour/games followed by dinner at 6:30 p.m. and the auction/program to follow at 7:30 p.m. All proceeds from the event go to the Kearney County PF chapter's wildlife habitat and youth conservation efforts.

Pheasants Forever is dedicated to the conservation of pheasants, quail and other wildlife through habitat improvements, public awareness, education and land management policies and programs. PF is the only national conservation organization that empowers local chapters with the responsibility to determine how 100 percent of their locally-raised conservation funds are spent. This local control allows chapters to see the fruits of their chapter efforts in their own communities. As a result, chapter volunteers are able to see the effects of their efforts locally, while belonging to a larger national organization with a voice on federal and state conservation policy.
